RÉFÉRENCE 02 360 03  
RPS/rh/91/81

19 March 1981

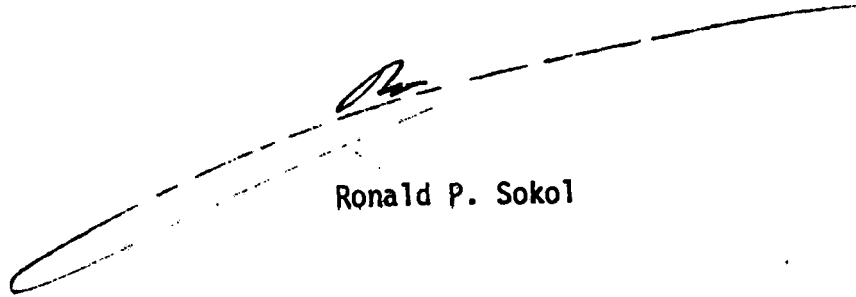

Dear Hardy,

I recently was contacted by Wendall L. Winn at Richmond & Fishburn in Charlottesville who said that they were referred to me by you. This is just a note to thank you for the referral and to express the hope that you are in good health and spirits.

One of my regrets in life is that you do not live in the village of Puyricard so that I might stop over one evening a week (bringing with me of course a bottle of vintage wine) and be able to chat with you so that I might come to understand better some of the problems that perplex me. It is a comfort to know, though, that you are still in Charlottesville and that I shall be able to see you if I come back.

My kindest regards to you and your wife.

Sincerely,

Ronald P. Sokol
