Dear Dan,

I thought I would send you and Jan a little homework for your trip to Provence. I can't recall whether I sent you the two enclosed books when I wrote them 23 years ago, but I don't think I did. The first 30 pages of the Arles book and pages 12 to 48 of the Aix book might be of interest to you. I originally had planned to do a third on Avignon and then put the three together and publish them in the States, but I ran out of steam after doing these two. They are now both out of print, and I lack the desire to update them. The one on Aix has become something of a collector's item in this area.

Sincerely yours,

Ronald P. Sokol
