Dear Ron:

This is simply to reconfirm that we are scheduled to arrive in Marseille on Friday, June 9, at 10:25 a.m., on Air Inter Flight 6189 from Paris.

At this writing I have not heard back from you as to where I might reach you if we should miss this flight in Paris and have to take a later flight. However, I have your phone number off your stationery, so I assume that I could use that, if I do not receive any other information from you prior to departure.

Our boat is the Arlene which is to be boarded in Avignon at ^{Port} Court St. Dominique, aka, ^g rue St. Dominique. We should plan to board promptly after lunch on Saturday, the 10th.

We look forward to seeing you soon.

Sincerely,
