III. RECOMMENDATION OF THE THIRD COMMITTEE

7. The Third Committee recommends to the General Assembly the adoption of the following draft resolution:

Question of a convention on the rights of the child

The General Assembly,

3/ Ibid., 1979, Supplement No. 6 (E/1979/36), chap. XXIV, sect. A.

Reaffirming that children's rights are basic human rights and call for continuous improvement of the situation of children all over the world, as well as their development and education in conditions of peace and security,

Recalling that the year 1984 marks the twenty-fifth anniversary of the adoption of the Declaration of the Rights of the Child 9/ which was proclaimed to the end that the child may have a happy childhood and enjoy for his own good and for the good of society the rights and freedoms set forth therein and be, in all circumstances, among the first to receive protection and relief,

Aware of the fact that, twenty-five years after the adoption of the Declaration of the Rights of the Child, the situation of children in many parts of the world still continues to be far from satisfactory,

Stressing again the need to keep up the momentum of positive action for the sake of children, generated by the International Year of the Child,

Mindful of the important role of the United Nations Children's Fund and the United Nations in promoting the well-being of children and their development,

Convinced of the significance of an international convention on the rights of the child, as a standard-setting accomplishment of the United Nations in the fields of social development and human rights, for protecting children's rights and ensuring their well-being,

Noting with satisfaction the widespread interest in the elaboration of an international convention on the rights of the child displayed by a great number of Member States representing all geographical regions and socio-political systems, as well as by international organizations,

---
