Letter dated 5 December 2006 from the Permanent Representative of Finland to the United Nations addressed to the Chairman of the Committee

I have the honour of writing to you on behalf of the European Union and the delegations of Andorra, Armenia, Australia, Bosnia and Herzegovina, Bulgaria, Canada, Croatia, Iceland, Israel, Moldova, Monaco, Norway, Romania, San Marino, Serbia, Switzerland, the former Yugoslav Republic of Macedonia and the United States of America.

The above-mentioned delegations reaffirm that they are prepared to join consensus in accepting the changes to the Arabic translation of the text of the draft Convention on the Rights of Persons with Disabilities and the draft Optional Protocol, based on the understanding that the changes are technical in nature, as we have been assured, and do not create a conflict with article 50 of the present draft convention, which states that the Arabic, Chinese, English, French, Russian and Spanish texts shall be equally authentic, or with article 33, paragraph 3, of the Vienna Convention on the Law of Treaties, which states that “The terms of the treaty are presumed to have the same meaning in each authentic text”.

According to article 12, paragraph 2, of the draft Convention, “States Parties shall recognize that persons with disabilities enjoy legal capacity on an equal basis with others in all aspects of life”. It is our understanding that the concept “legal capacity” has the same meaning in all language versions.

It is on the basis of this understanding that we are ready to join the consensus. We would also request the inclusion of this letter in the report of this session.
