38/95. Assistance to student refugees in southern Africa

The General Assembly.

Recalling its resolution 37/177 of 17 December 1982, in which it, *inter alia*, requested the Secretary-General, in co-operation with the United Nations High Commissioner for Refugees, to continue to organize and implement an effective programme of educational and other appropriate assistance for student refugees from Namibia and South Africa who had taken asylum in Botswana, Lesotho, Swaziland and Zambia,

Having considered the report of the Secretary-General⁹⁶ containing the review by the High Commissioner of assistance programmes for student refugees from South Africa and Namibia,

Noting with appreciation that some of the projects recommended in the report on assistance to student refugees in southern Africa have been successfully completed,

Noting with concern the continued influx into Botswana, Lesotho, Swaziland and Zambia of student refugees from South Africa, as well as from Namibia,

Convinced that the discriminatory policies and repressive measures being applied in South Africa and Namibia will lead to a further exodus of student refugees from those countries,

Conscious of the burden placed on the limited financial, material and administrative resources of the host countries by the increasing number of student refugees,

Appreciating the efforts of the host countries to deal with their student refugee populations, with the assistance of the international community,

1. *Endorses* the assessments and recommendations contained in the report of the Secretary-General and commends him and the United Nations High Commissioner for Refugees for their efforts to mobilize resources and organize the programme of assistance for student refugees in the host countries of southern Africa;

2. *Expresses its appreciation* to the Governments of Botswana, Lesotho, Swaziland and Zambia for granting asylum and making educational and other facilities available to the student refugees, in spite of the pressure which the continuing influx of those refugees exerts on facilities in their countries;
